

Tubular handrail support for glass ST-314 with trim

HANDRAIL SUPPORT with TRIM and BRACKET for GLASS

Material: Machined stainless steel.

Quality: AISI 316.

Finish: Gloss (see satin finish).

Description: Support for mounting glass handrails. The support is composed of an axis for installation for fixing on glass through a drilling, a decorative cover that covers the base to hide the drill, a solid 10mm rod curved at 90° and a bracket at the top for easy fastening to the round tube, using stainless rivets or self-tapping screws.
