

Handrail support with ST trim

HANDRAIL SUPPORT WITH TRIM

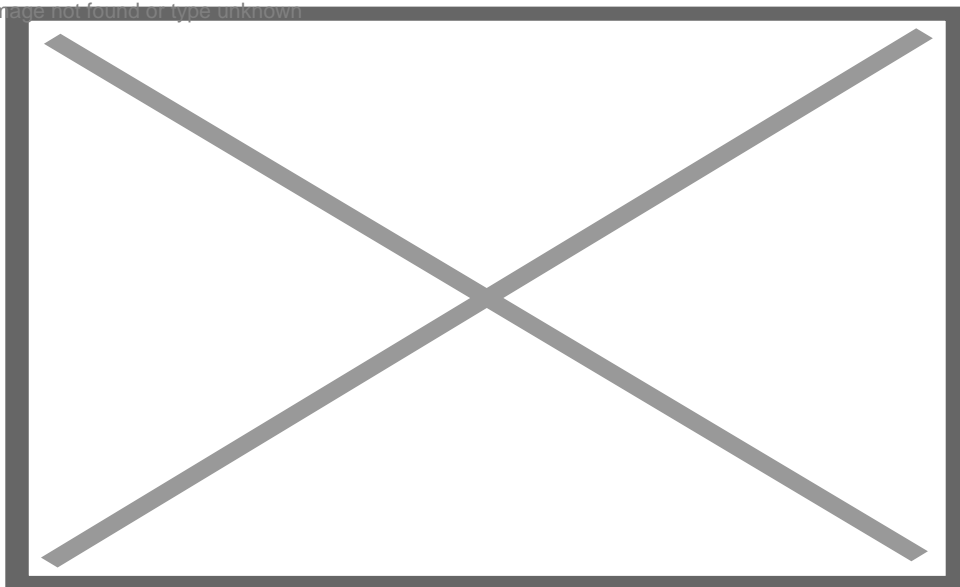

Material: Machined stainless steel.

Quality: AISI 304 and AISI 316

Finish: Gloss. (See satin finish)

Description: Support for mounting wall handrails. The support is made up of a base with three holes for fixing to the wall, a decorative cover that covers the base to hide the screws and a solid 10mm rod curved at 90°. Fixing to the tube is done by welding.
