

Support for handrail with ST-352 trim

HANDRAIL SUPPORT with TRIM

Material: Machined stainless steel.

Quality: AISI 304 and AISI 316.

Finish: Gloss (see satin finish).

Description: Support for mounting wall handrails. The support is composed of a base with three holes for fixing to the wall, a decorative cover that covers the base to hide the screws, a solid 10mm rod curved at 90° and an M-6 drill at the top to easy fastening to the tube, using screws or welding.
