

ST-350 Handrail Support

Central anchor support for ST-350 handrail

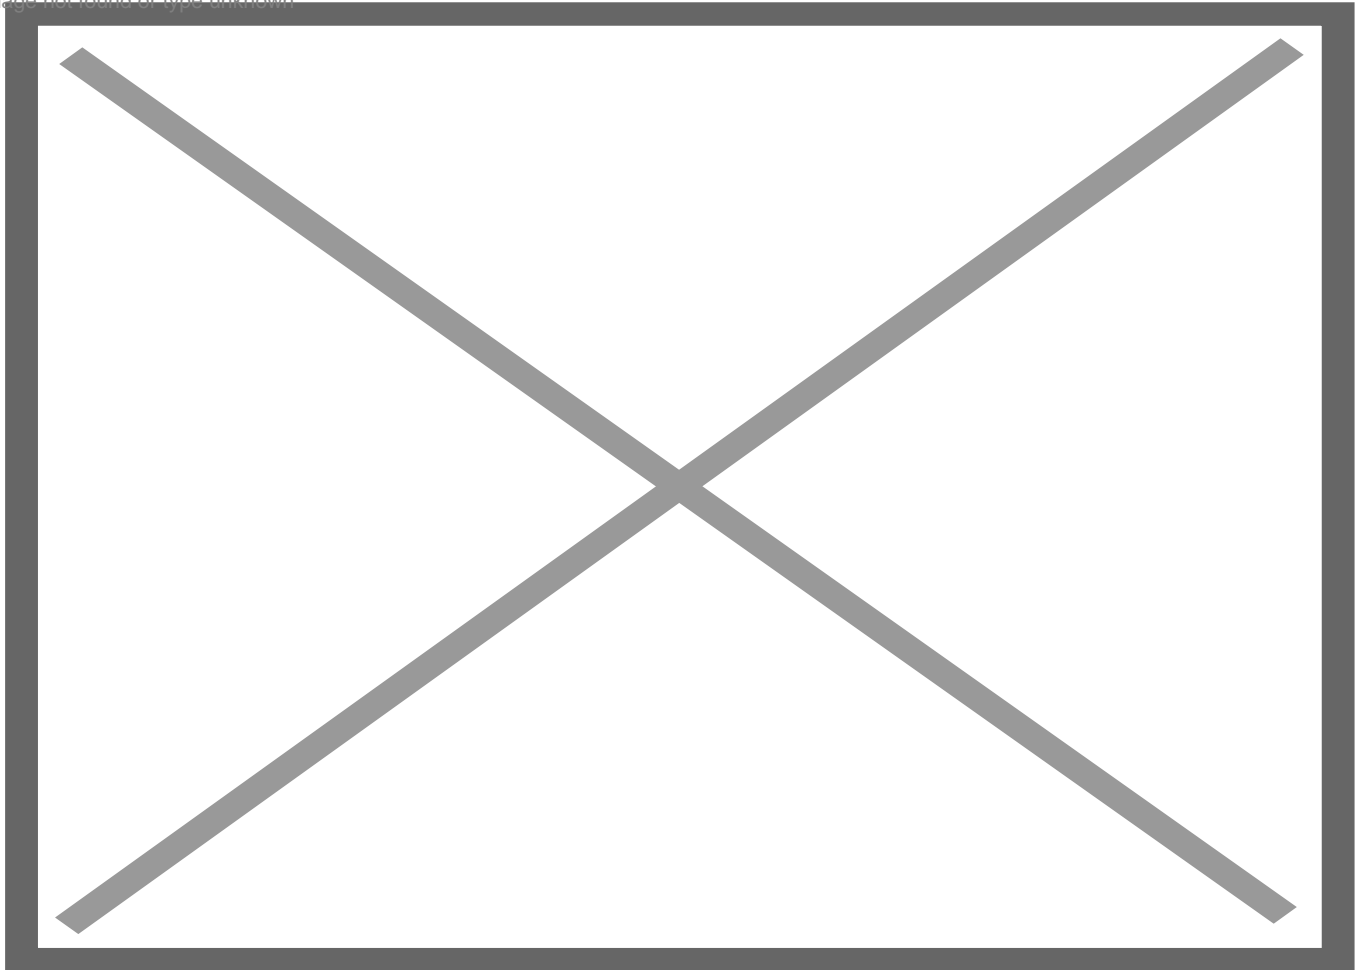

Material: Machined stainless steel

Quality: AISI 304

Finish: Gloss (see satin finish)

Description: Support for mounting wall handrails. The support is made up of a \varnothing 70 mm embedded base for fixing to the wall and a solid 8 mm rod at 90° that is anchored to the wall using chemical anchoring. Anchoring to the handrail is done by welding or the drill that the rod has.
